

For every movement, building, and revival
that has testified to your name
And blessed your wider body with established
wisdom, new vision and fresh expressions of
your grace.

Lord Jesus Christ, we thank you.

Bless your church.

Lord Jesus Christ, we thank you for the unity
we already see in your church,
For Churches Together, HOPE that unites,
and joined weeks of action for those in need.

Lord Jesus Christ, we thank you.

Bless your church.

Lord Jesus Christ, we thank you for every
place where church leaders meet to pray
and Christians unite to demonstrate your love
in their communities, and on their streets.

Lord Jesus Christ, we thank you.

Bless your church.

Lord Jesus Christ, we thank you for every
stirring of common purpose,
reconciliation, trust and shared ownership of
your name, and your mission.

Lord Jesus Christ, we thank you.

Bless your church.

Lord Jesus Christ, break dividing walls in your
church, and encourage us all to be a people
who take the first step towards each other.
For the sake of your people, for those who do
not yet know you, and above all,
for the glory of your name, Lord Jesus Christ.

Lord Jesus Christ, we thank you.

Bless your church. Amen.

There is a redeemer
Jesus, God's own Son
Precious Lamb of God, Messiah
Holy One.

When I stand in Glory

I will see His face

And there I'll serve my King forever

In that Holy Place

Thank you, oh my father

For giving us Your Son

And leaving Your Spirit

'Til the work on Earth is done.

Compassionate God and Father of all,
we are horrified at violence
in so many parts of the world.
It seems that none are safe,
and some are terrified.

Hold back the hands that kill and maim;
turn around the hearts that hate.

Grant instead your strong Spirit of Peace -
peace that passes our understanding

but changes lives,

through Jesus Christ our Lord.

Amen

See I am doing a new thing!

Now it springs up;

do you not perceive it?
I am making a way in the
wilderness and streams
in the wasteland.

Jesus Christ is the same yesterday and today and forever.
